PROFESSIONAL SUMMARY

M.S. in Data Science candidate at the University of Texas at Arlington with hands-on experience in data analysis, dashboard development, and program-level reporting across nonprofit, academic, and financial services settings. Skilled in statistical analysis and R; holds an AWS Certified AI Practitioner credential and multiple data analytics certifications. Brings multilingual fluency and cross-sector experience bridging data insights with real-world decisions.

EXPERIENCE

Personal Computer Technician

Lockstep Technology Group

June 2026 – Present

Grapevine, TX

Data Evaluation Intern

International Rescue Committee

January 2025 – May 2025

Dallas, TX

- Developed and maintained an interactive dashboard tracking engagement metrics, satisfaction scores, and focus group insights.
- Conducted satisfaction surveys among refugee and immigrant communities, targeting approximately 50% quarterly participation.
- Collaborated with the Client Voice Coordinator to design feedback collection methods including surveys and focus groups.
- Created client-facing materials including flyers, resource guides, and videos to support community outreach.
- Contributed to semi-annual reports capturing program progress, lessons learned, and improvement recommendations.

Student Program Coordinator and Data Analyst

Open Society University Network

June 2022 – May 2023

New York, NY

- Conducted data analysis across four academic semesters, identifying trends that contributed to a 10% increase in student engagement.
- Assisted in maintaining a student-focused website by improving content accuracy and usability, increasing resource accessibility by 15%.
- Supported management of a \$2 million program budget through financial reporting, expense tracking, and donor record accuracy.
- Contributed to 10+ projects over the year, collaborating with faculty and staff to ensure successful execution.

Statistics and R Language Tutor

American University of Afghanistan (AUAF)

September 2020 – May 2021

Kabul, Afghanistan

- Tutored 200+ students in Statistics and the R programming language for statistical analysis.
- Assisted students with 50+ course projects and supported faculty in evaluating student work.

Customer Service Associate

ICE - International Currency Exchange

July 2025 – July 2026

Dallas, TX

- Processed high-volume cash transactions in multiple currencies, maintaining and balancing a daily cash drawer to ensure accuracy.
- Verified customer identification and ensured compliance with AML and BSA regulations.
- Detected and prevented fraudulent transactions through careful document and currency verification.
- Prepared daily reports and reconciled transactions with system records.
- Advised customers on exchange rates, fees, and transaction policies; cross-sold money transfers and travel card services.

Interpreter

LanguageLine Solutions

June 2024 – November 2025

Dallas, TX

- Provided professional Dari-English interpretation for clients across the United States, Canada, the United Kingdom, and Scotland.
- Specialized in medical interpretation across hospitals (ER, Labor and Delivery), clinics, GP offices, dental practices, and laboratories.
- Supported additional sectors including insurance, banking, human resources, law enforcement, and social services.

Member Account Specialist

Mid-Hudson Valley Federal Credit Union

December 2023 – July 2024

Red Hook, NY

- Managed member accounts, providing support and detailed account administration to ensure high member satisfaction.
- Built client relationships through effective communication and problem-solving, anticipating member needs.
- Collaborated with cross-functional teams to execute strategies aimed at improving client retention and account growth.

Volunteer Interpreter, Community Coordinator, Data Analyst, and ESL Instructor

Task Force Liberty, Fort Dix Army Base

November 2021 – January 2022

Burlington County, NJ

- Distributed, collected, and cleaned survey data; conducted analysis to identify trends and reported findings to the Program Manager.
- Coordinated events and managed registration of participants and volunteers at the Community Readiness and Resilience Center.
- Provided Dari-English interpretation and translation; taught ESL to diverse age groups.

Administrative Assistant

Anne Cox Chambers Alumni/ae Center

June 2022 – August 2022

Annandale-On-Hudson, NY

- Managed daily administrative operations including scheduling, correspondence, and record maintenance.

- Assisted with the alumni and donors database and supported preparation of reports and presentations.
