PROFESSIONAL SUMMARY

M.S. in Data Science candidate at the University of Texas at Arlington with hands-on experience in data analysis, statistical modeling, dashboard development, and program-level reporting across nonprofit, academic, and financial services settings. AWS Certified AI Practitioner with additional credentials in data analytics and generative AI. Multilingual professional fluent in English and Dari, with a track record of translating data insights into actionable decisions.

EXPERIENCE

Personal Computer Technician

June 2026 – Present

Lockstep Technology Group

Grapevine, TX

- Leading workstation deployments and hardware upgrades for UT Southwestern Medical Center's enterprise-wide Windows 10 to Windows 11 rollover, handling system imaging, data migration, hardware provisioning, and post-deployment validation across clinical and institutional departments.
- Executed a district-wide device refresh and computer upgrade initiative across Denton ISD elementary, middle, and high schools, streamlining system configurations, imaging, and on-site hardware rollouts.

Customer Service Associate

July 2025 – July 2026

ICE - International Currency Exchange

Dallas, TX

- Processed high-volume cash transactions in multiple currencies, balancing a daily cash drawer to ensure accuracy.
- Verified customer identification and ensured compliance with AML and BSA regulations.
- Detected and prevented fraudulent transactions through careful document and currency verification.
- Prepared daily reports and reconciled transactions with system records.
- Advised customers on exchange rates, fees, and transaction policies; cross-sold money transfers and travel card services.

Data Evaluation Intern

January 2025 – May 2025

International Rescue Committee

Dallas, TX

- Built and maintained an interactive dashboard in Power BI and Excel tracking engagement metrics, satisfaction scores, and focus group insights.
- Designed and conducted satisfaction surveys among refugee and immigrant communities, targeting approximately 50% quarterly participation.
- Collaborated with the Client Voice Coordinator to design feedback collection methods including surveys and focus groups.
- Contributed to semi-annual reports capturing program progress, lessons learned, and improvement recommendations.
- Created client-facing materials including flyers, resource guides, and videos to support community outreach.

Interpreter

June 2024 – November 2025

LanguageLine Solutions

Dallas, TX

- Provided professional Dari-English interpretation for clients across the United States, Canada, the United Kingdom, and Scotland.
- Specialized in medical interpretation across hospitals (ER, Labor and Delivery), clinics, GP offices, dental practices, and laboratories.
- Supported additional sectors including insurance, banking, human resources, law enforcement, and social services.

Member Account Specialist

December 2023 – July 2024

Mid-Hudson Valley Federal Credit Union

Red Hook, NY

- Managed member accounts, providing detailed account administration to ensure high member satisfaction.
- Built client relationships through effective communication and problem-solving, anticipating member needs.
- Collaborated with cross-functional teams to execute strategies aimed at improving client retention and account growth.

Student Program Coordinator and Data Analyst

June 2022 – May 2023

Open Society University Network

New York, NY

- Conducted data analysis in Excel across four academic semesters, identifying trends that contributed to a 10% increase in student engagement.
- Supported management of a \$2 million program budget through financial reporting, expense tracking, and donor record accuracy.
- Assisted in maintaining a student-focused website by improving content accuracy and usability, increasing resource accessibility by 15%.
- Contributed to 10+ projects over the year, collaborating with faculty and staff to ensure successful execution.

Administrative Assistant

June 2022 – August 2022

Anne Cox Chambers Alumni/ae Center

Annandale-On-Hudson, NY

- Managed daily administrative operations including scheduling, correspondence, and record maintenance.
- Assisted with the alumni and donors database and supported preparation of reports and presentations.

Volunteer: Interpreter, Community Coordinator, Data Analyst, and ESL Instructor

November 2021 – January 2022

Task Force Liberty, Fort Dix Army Base

Burlington County, NJ

- Distributed, collected, and cleaned survey data; conducted analysis to identify trends and reported findings to the Program Manager.
- Coordinated events and managed registration of participants and volunteers at the Community Readiness and Resilience Center.
- Provided Dari-English interpretation and translation; taught ESL to diverse age groups.

Statistics and R Language Tutor
American University of Afghanistan (AUAF)

- Tutored 200+ students in Statistics and the R programming language for statistical analysis.
- Assisted students with 50+ course projects and supported faculty in evaluating student work.

September 2020 – May 2021
Kabul, Afghanistan
